

Geoff Deigan

President/CEO, WRD Environmental

Geoff founded WRD in 1997 to create sustainable landscapes and provides the firm's ongoing sustainability vision. Versed in all aspects of sustainable development, he plays a valuable leadership and intermediary role on interdisciplinary design and development teams.

He has been a juror for Mayor Daley's Greenworks Awards and for Friends of the Chicago River's Blue Ribbon Awards, recognizing conscientious riverfront development. He has also spoken at numerous national conferences on sustainable land use and land health issues.

A firm believer that progress toward lasting ecological stewardship begins with children, Geoff is the former President of the Board of Directors of the Prairie Crossing Charter School, in Grayslake, IL. The school's curriculum centers on the environment.

Geoff has over 27 years of experience in construction project management, including 10 years with Weston Services Inc., a former construction subsidiary of Weston Solutions, Inc. His regulatory expertise includes interactions with the US Army Corps of Engineers, the US Environmental Protection Agency, several state EPAs, the Chicago Department of Environment, the Chicago Park District and more.
